

DIVERSITY

It is our policy that Minority, Women, and Diverse-Owned Business Enterprises (MWBE) have an equal opportunity to participate in every aspect of our organization. MWBE are those business entities that are at least 51% owned and operated by women or members of a minority group (African-American, Asian-Indian American, Hispanic American, Asian-Pacific Islander, Native American), or diverse group who are U.S. citizens and which also include veterans, and members of the LGBT (lesbian, gay, bisexual and transgendered) group. One or more members of the aforementioned group must control the management and business operations of any such MWBE and must own controlling shares of the stock.
