

**This is a mandatory requirement applicable to both Coast, as well any subcontractor that performs work at customer sites on behalf of Coast.**

**Compliance is simple, and we have outlined below the steps that you will need to follow below.**

## **STEP 1 – REVIEW**

- a. Watch the information video at this link:

- b. Link to a sample GHS sheet: [www.wd40company.com/files/pdf/WD-40-Aerosol-MSDS-GHS-ASIA1-24-13.pdf](http://www.wd40company.com/files/pdf/WD-40-Aerosol-MSDS-GHS-ASIA1-24-13.pdf)
- c. Compile a notebook that covers all Hazardous material and chemical Data Sheets that are carried on the Subcontractor's service vehicles. Make copies of all Data Sheets for each service vehicle and store a notebook in each vehicle.

## **STEP 2**

Complete and sign this form
