

## **Completion Photo Requirements**

Digital color photos on CD disc or e-mailed as PDF attached to invoicing package.

Building signs require a close up of each sign along with a wide angle view to capture the total installation. (NO SIDE ANGLE SHOTS).

Ground signs require close up shots of each side of the sign as well as wide-angle shots which show adjacent site conditions.

ALL photos are to be labeled with the project name, date and sign designation (A, B, C, 1, 2, 3 etc.) as per the drawings.

Please send photos with your completion packet and invoice. ALL information must be received before we can release payment of your invoice.
